## *We Will Remember Them*

*Thank you* to Mr Andrew Marshall, President of the Pingelly RSL, and Student Councillors who led the 100th Anniversary Memorial Anzac Service in the quadrangle on Thursday.

A small number of guests attended on the day, to pay homage to the men and women who have served our country in a military capacity.

Mr Claude Draper, a returned serviceman from WWII, Mr Steve Rogers and Mr Andrew Marshall represented the armed forces and Returned and Services League.

 **Welcome**  
 **To Our School!**

*A very big welcome to Mrs Samantha Mudgway,  
our new Principal, to Pingelly Primary School.*

## Year 4/5 Reading Comprehension

The Year 4/5 class has been using reading strategies including

- skimming
- determining importance
- summarising

as a reading comprehension exercise with Dr Rigby.

Tye, Cassie, Callum and Gabrielle read a text about horses and then reported their observations on card.

*Where Did Horses Come From?*

EUROPE, ASIA AND NORTH AMERICA, are where the Hyracotherium's came from. Pronounced (High-rack-oh-there-um). The Hyracotherium had 4 toes on the front legs and 3 on the hind to spread out and stop itself from sinking in the marshy ground.

You could have carried it under your arm, for it was only the size of a large cat or fox-terrier.

Mesohippus it was twice the Hyracotherium.

No grass in the world at this time so Hyracotherium's probably lived on leaves and fresh shoots from the Junipers.

## ARE YOUR CONTACT DETAILS UP TO DATE?

In case of an emergency it is **VITAL**, that the school has your most recent, up to date, contact details.

We also like to contact you at other times, for example - if your child is receiving a certificate of commendation at the assembly.

So, if your phone number, mobile number, email address or mail address have changed recently, ***please advise the school*** on 9887 1061 of the changes, so that we can update our records.
