

School's  
back

Kids from Year 3/4 enjoy  
using the new library  
furniture  
during their library lesson  
last week.

### Library News

The library has recently received some new browser boxes to add to the gorgeous furniture which was purchased last year. The library is looking very colourful and vibrant and is an inviting place for students to visit, both during class times and lunch time as well. For some kids it is a haven or sanctuary where they can chill out, play games or read. It is also an escape from the heat of the playground at this time of the year.

- Please remember that EVERY child needs a library bag so that they can borrow books from the library. Preferably the library bag should be sturdy. Ideally it would also be waterproof! With the advent of swimming classes next week, please reiterate to your child, the importance of keeping library bags away from their bathers and towels, and from leaky water bottles. Many books are destroyed each year after being water damaged.

- Library loans are for one week, after which the book must be returned to the library. The books may be renewed if the child is still reading them. Please remind your child to pop their library bag into their school bag on library day.

Library books are exchanged on the following days:

**Wednesday - Pre-primary**

**Thursday - Year 2/3 Year 3/4 Year 5/6**

**Friday - Year 1 Year 4/5**

Students will need to bring their bathers, towel, sunscreen and hat in a waterproof bag. Classes will be transported to and from the pool by bus. If your child doesn't have a season's pass then you will need to forward \$25 to school to cover the cost of the bus and pool admission. The cost is \$15 if they do have a season's pass. Thank you to those people who have already paid.
