Best wishes to the students and staff for the Year 5/6 School Camp to be held at Point Peron next week.

The camp timetable is very full, encompassing a variety of activities within 3 days.

All excursions are linked to the curriculum and relate to teaching and learning within the classroom and undertaken throughout the past year. A further 2 days learning in the classroom will culminate in an assembly on Friday Nov 6.

Classroom timetables are now on the school website. Click on the link to Classrooms  and choose the relevant Room number.

**Spelling** - Our new spelling program "Spelling Mastery" is working well, with students demonstrating new skills and understanding in their applied work. Students are tested at the beginning of the program and placed into levelled groups to support their spelling development. This may involve some students moving into another classroom for their spelling class.

If you would like further explanation, please make an appointment with the class teacher.

**School Council feedback forms** - accompanying this week's newsletter is a 'Request to Council' feedback form. If you have anything you would like to contribute to School Council, please fill it in and return it as soon as possible. Adding your name to the form, is optional.

**HATS** - Students are being encouraged to wear a bucket or broad brimmed hat as soon as possible. Blue is the preferred colour but any colour is acceptable for 2015. Until the P&C have a supply of hats available, caps will be permitted. Students who have no hat or wear a visor will be instructed to play in the shade.

## Breakfast Club

Each morning before school all students are welcome to enjoy breakfast at our Breakfast Club. It commences at 8.30am and concludes at 8.45am, with students sitting in the specified breakfast area. The students are responsible for washing their dishes after they have finished their breakfast.

All children are very welcome to attend breakfast club however if you don't want your child to be involved, please notify the front office on 9887 1061.

If you want to find out more about the Breakfast Club Program log on to the school website at [pingellyps.wa.edu.au](http://pingellyps.wa.edu.au)

Where: Pingelly Oval  
Time: 10:00 - 10:30 am

This event is part of Children's Week and is proudly supported by: Regional Development Australia Westswale, the Department of Local Government and Communities and the Pingelly Community Resource Centre

# Story Time

Every Thursday at 10:30am  
at the CRC!

Children must be accompanied by a parent or an adult carer.

All children aged 0-5 welcome!  
Story Time is Free!

Proudly brought to you by The Pingelly Early Years Network (PEYN) and the Pingelly Community Resource Centre & Library

Look out for Pingelly Students on the Scitech GWN Weather Wall during Weeks 2-10 this term. The day of the week is still to be confirmed.

The Year 3 / 4 students will record their local daily weather conditions using a Scitech Weather Kit. Their results will be announced each week night during the GWN weather segment. Students will use the kits to measure and record their local maximum and minimum temperatures and rainfall. There will be a class roster, so students take turns to record and then send the information to GWN.

## Holiday swimming programs

Enrolments for December/January programs are now open. It is important for every child to learn to swim and develop essential water safety skills. VacSwim's school holiday swimming programs are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water. This year there has been a small price increase from \$10.00 per enrolment to \$12.50 per enrolment (family enrolment for 3 or more children living at the same address is now \$34.50. ## EOI: Child Car Restraint Checking Station

In Western Australia, the leading cause of death and the third most frequent cause of hospitalisation for children aged 0-14 years is transport related injury. Whenever children are passengers in a vehicle they should be seated in the most appropriate child restraint for their age and size.

- Did you know that all 0-7 year olds legally must be restrained correctly?
