

ShockProof! School program - Monday 31 August

ShockProof is a free electrical safety and energy efficiency education program for pre primary to year six students. The program encourages active learning and class participation in a fun and engaging presentation.

Our ShockProof presenter delivers classes 30-45 minute presentations, teaching students:

- how electricity works
- how they come into contact with electricity every day
- the dangers of electricity
- how to be energy efficient

Every year in Western Australia families are affected by the trauma of injury associated with electrical shock. Most of these injuries are preventable and are due to a lack of understanding of electrical safety.

The program also communicates energy efficiency messages for children to practise at home and at school and encourages responsible energy use.

Each student will receive a letter for their parents outlining the safety and energy efficiency tips they learnt in the presentation.

Students of the Week!

Room 1 Nicola W	Isabella W	Room 12 Aniela T-R Kristy J	Jackson A
Room 9 Destiny- Rose R Sinclair W		Room 14 Gabrielle C	Jarell T
Room 7 Tosha R Joslan R	Makayla H Mathew T	Room 15 Blake W Alicia W	Diego A

Parent—Teacher Meetings

If you have had a request for a parent - teacher meeting marked on your child's report or if you would like to make an appointment with your child's teacher for next term, please call the office on 9887 1061 and the office will arrange a date and time.

1 July, 2015

DAILY ATTENDANCE

ATTENDANCE AWARENESS

Some absences are unavoidable. We understand that children will get sick and need to stay home occasionally. The important thing is to get your children to school as often as possible.

Too many absences represent **too much lost learning time in the classroom.**

*Farewell and Thank You
to Mrs Marianne Carlucci
&*

*Mrs Cheryl Nottle
for their involvement with
Pingelly Primary School.
Together they have contributed more
than 55 years service to the school!
We will miss you!*

New Staffing for Term 3

A big welcome to Cameron Hill and Jasmine Waller who are commencing their teaching careers at Pingelly PS next term. Both teachers will be working across the school in support roles and will be covering for staff on Long Service Leave. They will be here until the end of the year. If you have any queries, please contact the front office on 9887 1061.

Thank you and well done to all staff and students, in completing semester 1 of 2015.

May you all have a safe and happy holiday.

School recommences **FOR EVERYONE**
on Monday 20 July.

Schools
Out!

Mrs English's Year 2/3 class performed a fabulous dramatization of the book "The Gruffalo" at their assembly last Friday. Well done to the narrators - Marni and Lily, the snakes - Kim, Hamish, Ronez & Nick Q, the owls - April, Kate, Mikayla & Tosha, the foxes - Nick L, Ebony, Ellira & Matt, and the little mouse - Trazine and the Gruffalo - Aston. Thank you to Mrs Spencer for the great photos.

Mr Bruce Sewell visited the school last Friday morning to present medallions to the footballers who participated in the Neu-Tech Cup, held recently in Corrigin.

The boys were in the winning team and brought home the cup.

Well done fellas.

Police Visit

Our local police service had the lights flashing and the sirens blazing last week when they made a visit to our breakfast club. All students were given a chance to ask questions and listen to the police talk on road safety and respect in the community. Thank you to the two Pauls and Jackie for the visit.

Garden Grubs

Our school green thumbs made the most of the recent rain, taking the opportunity to prepare their garden beds and plant some peas and broccoli. Mrs English's class were flat out with their maths planting the broccoli seeds 5mm deep and 60 cm apart whilst the pea rows were sown 45 cm apart with a 15cm spacing of seeds. The peas were sown 5cm deep and each garden plot was given 20 litres of water. We are all looking forward to some healthy garden produce.
