Welcome Back to School 2016.

This term we are talking about **Resilience** in Circle Time. Resilience is the ability to cope with life's ups and downs. A strong, calm family life, helps to make a strong, calm child. Have a routine, sleep and eat well and don't forget to tell your child that you love them every day.

We look forward to another great year. If you would like to talk to me, I am at school, Tuesday, Wednesday and Thursday.
