Welcome back for an exciting 2019 school year at Pingelly Primary School

What a pleasure it is to be welcoming back so many familiar, smiling faces for another school year. It is also exciting to see many new faces around the school - in the kindy, our new students in the Primary School and Ms Anna Mysliwska, our new Education Assistant.

As we look forward with excitement to the year, we plan to continue to build on our STRIVE principles, making the school a fantastic place to be and learn for everyone. We are committed to continue to build positive relationships and work in partnership within our community to achieve the best possible environment for our students to prosper.

Get ready to pack your bathers and air out those wet towels because swimming lessons are upon us. They will be starting next Monday 11th at the Pingelly Pool with Mrs Blechynden and her great team. Please ensure all students from PP to Year 6 return their in-term swimming enrolment forms promptly to school.

Swimming carnivals will follow on quickly after lessons with the faction carnival taking place on Friday 1 March, Week 4 and the interschool carnival on Friday 22 March, Week 7. (This is a change from a previously published date). The interschool carnival will be held at York. A change to note in the swimming carnivals this year, will be the aligning of age groups to school year group levels.

We look forward to seeing and meeting all parents in and around the school over the next few weeks as class meetings take place, carnivals come and go and we push off into another year of your child's education.

Kind regards,
Noel Cowcher
Deputy Principal

Mathew T, Kiera M, Marni W, Lily S and Mr McArdle, with our newly inducted Student Council at assembly on Monday morning.
