

Mother's Day Celebration
On Thursday 11th May the Kindy held their Mother's Day Afternoon Tea for their mums. Students performed a song "Love Grows One by One", followed by a recital of "Mary Mary Quite Contrary" and then the student's own version of the nursery rhyme, called "Terry, Terry Quite Merry".

The Kindy children enjoyed playing and engaging in activities with their mums - necklace making, craft creativity, using the iPads and Japanese app, painting, playdough, drawing, train sets and blocks. Following this, the children and mums indulged in some afternoon tea before heading home.

Happy Mother's Day to all the Mums on Sunday May 14th.
