

PINGELLY PRIMARY SCHOOL P&C

Footy Numbers Fundraiser

The Pingelly Primary School P&C Committee are running a 2017 fundraiser, using the margins (winning or losing) of the Eagles and Dockers games.

Your ticket (\$25) gives you the chance to win twice every round of the 2017 AFL season!!!

HOW DOES THIS WORK?

1. Buy a ticket for \$25 (you can buy as many as you like) there are 100 tickets to be sold
2. Once they are all sold, the names are randomly drawn out against a number from 1-100. That is your margin number for the season.
3. Each game the Eagles and Dockers play, gives you the chance to win **\$25**, 23 rounds of the AFL season = 46 chances to WIN!!!! When it is a Western Derby, the person with the winning margin wins **\$50!!** Eg a final score of Dockers 67 vs Sydney 34 – the margin is 33 (67-34) so the person with the number 33 wins \$25. It can happen (and has happened!!) that both games in one weekend has the same margin = a very lucky person!!!
4. If the Dockers or Eagles draw or if the margin is over 100, the P&C wins the \$25.

Don't forget – this is a fundraiser for our local primary school, your support is greatly appreciated by the committee and benefits all the students!!

WHAT TO DO NEXT?

Complete the slip below with the people's names on it that wish to play. Return the slip and payment of \$25 per person to the school or Pharmacy by **MONDAY 20TH MARCH.**

The first 100 names and payments received will be used, ie FIRST IN BEST DRESSED!!

Numbers will be drawn on the afternoon of Monday 20th March and published in the Pingelly Times and the school newsletter.
