School Chaplain

Chaplaincy provides a positive impact on the character, attitudes and values of young people including trusted guidance on spiritual, moral and ethical issues. The chaplain is someone staff, parents and students can voluntarily turn to in time of need, and offers practical support to students who are at risk. Educating students on resilience and protective behaviours and providing alternative lunchtime activities and crafts, are among the varied roles.

The chaplain does not duplicate the work of teachers or parents, but makes a distinctive contribution within the entire school community.

Our school chaplain (Mrs Raelene Stevens) is at school 3 days per week on Tuesday, Wednesday and Thursday. Appointments may be made by approaching Mrs Stevens directly, or through the school office on 9887 1061.
